Voice Mail: 330-830-3901

Classroom Rules:

1. Be on Time
2. Be Prepared
3. Be Respectful
4. Wear your Mask
5. Maintain Social Distancing

Supplies:

1. Notebook – We will use this daily. Please be sure to have a math only notebook.
2. Chromebook – This will be used daily
3. Binder or Folder
4. Pencil
5. Calculator (TI-84 is preferred but not required- the Chrome Books have the AIR Test Calculator online)

Grading Scale

- A 90 – 100
B 80 – 89
C 70 – 79
D 60 – 69
F 59 and Below

Grading Points:

- Assignments will be worth a specified amount of points. Assignments will be broken down into the following categories
 - Homework
 - Classwork
 - Assessments
- The overall grade is calculated by taking the total number of points earned divided by the total amount possible.

Grading/Evaluation:

- **Homework** is work that is primarily completed outside the classroom and is checked regularly. All work must be shown, legible, and written in pencil. Partial credit may be given for incomplete/late work. Math builds each day and the homework/classwork is an essential piece to the learning process.
- **Classwork** is work that is primarily completed inside the classroom and is checked regularly. All work must be shown, legible, and written in pencil. Partial credit may be given for incomplete/late work.
- **Assessments** will be given periodically throughout a unit and then again at the end of each unit. Assessments will consist of extended response and/or multiple choice questions.
- **Test Corrections** will be available for a specified time after each test. Students will have the opportunity to earn points back for each missed problem. This is a voluntary process with permission from Mr. Ridgley and Mr. Hodakievic. All work **must** be shown to receive credit.

Classroom Expectations/Procedures:

1. **Warm Up** (when entering the classroom) – This will happen most days. Since directions will be clearly stated, every student has something to work on quietly each day when entering the classroom.
2. **Absent Work** – The student is responsible for requesting/picking up any assignments that may have been missed while absent. There will be a designated file folder in the classroom where the work will be located.
3. **Missed Assessments**– The student is responsible for setting up a time to take a missed test or quiz. If a student is absent the day before a test/quiz, the student should plan to take the test/quiz at the regularly scheduled time.
4. **At the Bell** (when leaving the classroom) – Since we will utilize the full time period for our class, students are to remain on task until dismissed by the teacher.

Cell Phones/Electronic Devices:

- CELLPHONES ARE NOT PERMITTED (SEE STUDENT HANDBOOK)

Covid 19 Related Items

- Students must wear their mask at all times
- Our class will have hand sanitizer, disinfectant wipes, and disinfectant spray with paper towels
- You will have an assigned seat. Please only sit in your assigned seat
- You will be responsible for wiping down your desk before leaving each day.
- You will be responsible for wiping down your calculator before you leave each day
- You must have all of your supplies each day as we will not be able to share them
- When you enter the room you will be required to sit in your assigned seat immediately
- We will dismiss the class by rows to maintain social distancing

Consequences for breaking a rule or not following the procedures:

1. Verbal warning
2. School detention
3. Phone call to Parent/Guardian
4. Repeat steps 2 and 3
5. Visit with the Principal

Please note: Depending on the severity of the inappropriate behavior, consequences may or may not be followed in sequential order.

Positive Consequences:

1. Classroom Recognition
2. Phone call to Parent/Guardian
3. Email to Parent/Guardian

Please note:

- Permission for use of the hall pass for the drinking fountain, restroom, and locker will not be granted during class except in an emergency with the teacher's permission.

Chromebooks and Graphing Calculators:

1. The teacher has the right to look at what is on your screen (please stay on task)
2. Chromebooks may only be connected to the school Wi-Fi (no hotspots)
3. Please respect the Chromebooks/Calculators (These are very expensive to repair/replace)

Dear Student and Parent/Guardian,

Please read through the attached rules and procedures in order to understand what is expected of your son/daughter in Algebra I. After reading the rules and procedures, please click the link below to acknowledge that you have received a copy and that you have read through and understand the expectations. I encourage you to contact me with any questions or concerns that you may have during the year. An open line of communication is essential. I look forward to a great school year.
